The beautiful land is calling your name!

During the exile, Daniel and Ezekiel referred to the land of Israel as the beautiful land because they longed to go home. They longed to go back to Jerusalem, the place where God himself had chosen for His name to dwell.

In the same sense we have talked with Christians all around the world and when we mention Israel their eyes light up. They long for a land they have never seen, they feel homesick for a place they have never been, and they want to see the land of Israel. The beautiful land is calling their name.

Israel is calling your name! Over the years we have guided hundreds of people through the land of Israel, and we have never toured with one who did not want to come back. Though they had never been there before, they felt at home in the land of their Savior.

What sets this tour apart is that it is a study tour. As we travel across the land, we will teach on sites you have only read about and on the bus, at the same time helping you to connect the dots of the Word of God! What was once seen as black and white on a page will now be like seeing a 3-D movie in HD. You will never read the Bible the same way again!

This is your opportunity to go home with us, home to the land of the Bible and experience for yourself the sights, sounds and smells of the land of Israel with Bible in hand!

You will never be the same!
